

Adding an event or show to your bands calendar:

Navigate to your artist page which looks like this:

The screenshot shows the ARM the PIT website artist page for the band "BAD HABIT AND THE CORRUPTIONS". The header features the "ARM the PIT Underground Music Network" logo and a silhouette of a crowd with raised hands. The navigation menu includes: Home, Artists, Comps, Directory, Our Blog, About Us, Support Arm The Pit, Contact Us, Video Intro, Bio, What's New, Music, Upcoming Shows, ATP Interviews, Street Team, and Update Account. The breadcrumb trail reads: "YOUR ARE HERE: | HOME | BROWSE ARTISTS | BAD HABIT AND THE CORRUPTIONS |". There is a "Share" button with social media icons and a "BAD HABIT AND THE CORRUPTIONS VIDEOS WANTED: SUBMIT" link. A language selection dropdown is set to "Select Language" and is powered by Google Translate. The main content area features a photo of the band performing in Austin, Texas, with the text "Austin, Texas Rock" below it. To the right is a video player for "Bad Habit and the Corruptions - Does it Matter" with a thumbnail showing a skull and a gun. The video player shows a progress bar at 0:00 / 4:06. The footer contains "Intellectual Property Rights Policy", "Security & Privacy Notice", and "Site Designed & Maintained By Websites For Everyone Else (c)2004 - 2013".

Click on "Upcoming Shows" and you will be presented with a calendar that looks like this:

The Calendar Text box will display anything you enter on your main calendar page. Select the start time and end time for your show by using the drop-down menus to the right. You can add other pertinent info into the Popup Text box. When a fan clicks on the gig you've entered, a pop up window with that information will appear.

For our example gig, we're going to say it's at a venue called The Austin Beerhouse. The Beerhouse show will feature your band, as well as two other bands. It will start at 8PM, and end at midnight.
